Environmental policy statement

Specialist Office Services Limited seeks excellence in every aspect of our business and is committed to minimising the environmental impacts of our business operations.

The key points of its strategy to achieve this are:

Minimise waste by evaluating operations and ensuring they are as efficient as possible.

Minimise toxic emissions through the selection and use of its fleet and the source of its power requirement.

Ensure environmental, including climate change, criteria are taken into account in the procurement of goods and services.

Actively promote recycling both internally and amongst its customers and suppliers.

Implement a training program for its staff to raise awareness of environmental issues and enlist their support in improving the Company's performance.

Work together with our staff, clients, service partners, and suppliers to promote improved environmental performance.

Meet or exceed all the environmental legislation that relates to the Company.

Review our environmental policy regularly.

This statement represents our general position on environmental issues, and the policies and practices we will apply in conducting our business. The Environmental Policy is available on request.
